CONSENT FOR ACCESS TO PROPERTY

Name: DNR property within the Bremerton MGP Waste Release Site

Location: Tidal land adjacent to and north of 1725 Pennsylvania Avenue, Bremerton, WA

On behalf of Washington State, the Washington State Department of Natural Resources (DNR), hereby gives consent and permission, to the extent of the possessory interest State may have in the property and premises described above ("the property"), and any appurtenances thereto, to the following persons: 1) officers, employees, agents, and authorized representatives of the Environmental Protection Agency ("EPA authorized representatives"), 2) officers, employees, agents, and authorized representatives of the Coast Guard ("Coast Guard authorized representatives"), and 3) persons acting at the request of EPA and the Coast Guard, including officers, employees, agents, contractors, and authorized representative of Cascade Natural Gas Corporation.

This consent to enter the property is given to those persons described above for the purpose of Time Critical Actions (TCA) including: sampling for hazardous substances or pollutants or contaminants, and performing necessary response activities, which may include the removal, consolidation and/or stabilization of hazardous substances that have been released into the environment or which present a substantial threat of release. Such actions may include, but are not limited to:

- A. The taking of such soil, surface water, groundwater, and air samples upon the property as may be determined to be necessary to complete TCA;
- B. The taking of a response action at the property including site stabilization and mitigation activities, which include but are not limited to removing, consolidating and stabilizing hazardous substances located within the Site on the property and building a road across the property to access the contamination in the water to complete TCA;
- C. All Applicable or Relevant and Appropriate Requirements (ARARs).

These actions by the EPA, the Coast Guard and Cascade Natural Gas and its contractors are undertaken pursuant to its response and enforcement authorities contained in the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), 42 U.S.C. § 9601, et seq., as amended, the Federal Water Pollution Control Act (or the "Clean Water Act"), 33 U.S.C. § 1251 et seq., as amended.

It is further understood that Non-Time Critical Actions (NTCA) pertaining to Remedial Investigation and/or remediation work will require a use authorization from the Washington State Department of Natural Resources.
